PLEASE CONTACT YOUR LEAD ADMINISTRATOR FIRST, THEN YOUR TEAM COACH. TECHNICAL DIRECTOR ZAC CRAWFORD WILL BE BACK AND FORTH BETWEEN THE BOYS AND GIRLS CAMPS AND WILL NOT BE AVAILABLE. Each team will also have an additional administrator/coach assigned to their group as well that will be staying in the dorms to help oversee players both on and off the field. Every coach/administrator has been passed through the ASA Background Check system.

Dormitories
Players will be staying in TBD. Players will be given a room key for their particular room. If the key is lost, there is a lost key fee of $50.00, which the player will incur. No parents are allowed in the dorms.

We have arranged with the University of Alabama to use the new Presidential Village 1 dormitory (not PV 2) and the nearby Lakeside Dining cafeteria. For a campus map, please see- https://usy345.americaneagle.com/assets/959/15/UA%20printable_map_2014.pdf

Dorm rules:

- Rooming list will be provided prior to departure. We will not be taking roommate requests this year. Players will have an opportunity to make a new friend.
- KEEP ROOMS and SHOWERS CLEAN AT ALL TIMES
- Cleanliness in the halls, etc. is the responsibility of the players on that hall – leave an area dirty and it could cause you playing time
- Everyone is responsible for all trash on and around the fields
- NO Running & NO Kicking Soccer balls in dorms!!!
- NO Glass!!
- The room is the responsibility of those assigned – if something is broken/damaged, the individuals in the room are responsible
- Any damage to a room must be reported to your administrator immediately
- Never be outside dorms without a Coach or Administrator with you – this is a “send-home” violation
- Stay together (buddy system) and with your group
- Be courteous to your roommate
- Be quiet during rest times – you will need it! If you cannot rest, please respect the other players who are resting!
- Each player will be provided a room key, with lanyard, at check-in. Lost key charge is between $50-$100
- Always lock room when leaving for training, games or meals
- Lights out and phones off at 11:00pm sharp!
How do we get there?
The Alabama Soccer Association ODP/State Select program doesn’t provide transportation for players attending sub-regional events and/or Region III Camp. Therefore all players will have the responsibility to transport themselves to & from Region III Camp in Alabama.

Meals
The players will be provided 3 meals a day, except for the first and last days; all meals will be eaten in the Cafeteria as a team. **Players must remain on campus at all times.** The cafeteria provides a variety of foods but it is up to each player to select food that is both nutritional and satisfying. You should NOT have hamburgers and fries with every meal! And move your plates, cups and eating tools to the Return Tray area before you leave the cafeteria. Players are encouraged to bring healthy snacks/drinks and can have a cooler in their dorm.

Players Equipment
Players should bring the following items to camp:
- Linens (sheet size twin, pillow case, pillow, blanket, towels, washcloths), alarm clock,
- Water bottle, bug spray, sunscreen
- Training clothes (both ODP jerseys, grey training shirt), white shorts and socks & equipment, soccer shoes (cleats and flats), shin guards, etc.
- Laundry detergent
- Soccer ball (w/name & ASA printed on it)
- Toiletries (toothbrush, toothpaste, soap, contacts, contact solution, etc.)
- Prescribed medicines (in original bottles)
- **Anything of value is better off left at home!!!!**
- Players should bring all aspects of their Alabama ODP Team uniform-blue jersey, red jersey, grey training top, white Nike shorts, & white Nike socks.
- **Players should also bring a pair of nice khaki shorts/pants to wear to opening/closing ceremonies. ASA will provide each player with a new shirt to wear to the ceremonies. We want to look uniform and clean!**
- Team admins will help wash gear in the evenings to keep it clean, but players need to initial the tags in their shorts and the bottom of their socks with a permanent marker.
- **Players will have an opportunity to trade t-shirts with players from other states. If you do not want to trade away this year’s Alabama ODP shirt, you will have an opportunity to purchase old shirts from ASA so that you can trade those with other states and still keep your t-shirt jerseys from this year. **WE WILL PLAN TO WEAR THE SAME RED & BLUE JERSEYS FOR NEXT YEAR SO THAT YOU DO NOT HAVE TO PURCHASE THAT PORTION OF THE KIT IF IT STILL FITS. Therefore, players should probably not trade away the red or blue jersey, but instead the grey training shirt (which will be replaced with a new white shirt in the 2016-2017 season).

Miscellaneous items & suggestions:
- EXTRA socks!! Encourage player to put on clean, DRY socks before each game/training session
- shin guards -- required for all training sessions and games (an extra pair is a good idea)
- 2 pairs of cleats (if possible)
- Keepers – two pairs of gloves are recommended
- Gear bag (for the field)
- Always bring both jerseys to every game.
- Uniforms MUST be given to the chaperones who will do laundry each day. Bring quarters for laundry.
- Bring a trash bag to put your gear bag in at the field in case it starts to rain
- Snacks (healthy)
- Fabreeze for stinky cleats
- Laundry Machines are in each dorm, they may cost money and take quarters. Bring $5 in quarters and a small batch of detergent for personal laundry).
• Money for t-shirts, misc. gear items, snacks and Gatorade.

No matter how often we tell the players to keep their doors locked, to put things away, some items are always misplaced or taken during camp. Very little money will be needed – only monies needed for vending machine snacks/drinks.

Region Camp Holdovers (00, 01 & 02)

Players might have the opportunity, if selected by the Region III Coaching Staff, to stay for another 3 days to train with the Region Pool. If your son is selected, (announcement is made at closing ceremonies on July 12th) you will need to do the following:

• Check your son out with ASA ODP site administrator
• Take your son to Region III on-site Headquarters and register with Region III site administrator
• Pick-up your son at the conclusion of Region III holdover camp on July 15th
• The Region will pay the room and board fees for the additional time that the player will be in camp.

Medical

• There will be 24 hour trainer coverage for any injury or medical ailment.
• Players will be transported to the local ER, if the situation warrants.
• Any charges incurred at the hospital are the responsibility of the player, parent/guardian (their insurance company) or state association.

Other Important Information:

• Remember - You are representing yourself and Alabama Soccer
• Respect all Coaches - Administrators - Region Staff
• Be on your best behavior during camp - Remember: you are constantly being evaluated
• Do what you are told and be early
• REMEMBER-—On Time is Late! Be Early!
• Parents - If you are going to be at camp please remember that there will be little/no direct contact with the players during camp. If you attend any of the games, please remember no cheering and certainly NO coaching. Parents are not allowed to talk to players, coaches, referees or Region staff during games and violation of this rule will result in removal from the area.
• Parents are NOT allowed into the dorms – only state, regional and university staff are permitted in the dorms.
• Players that have not yet received their jerseys will receive them at the team meeting on the first day.
