1. **HOME TEAM:** The **HOME** team is responsible for paying the referees. Only pay the ones who are present. Please make sure you have the correct denomination to pay for each slot listed above. Make sure the proper amount is in EACH envelope labeled Referee, AR1, AR2 and sealed. The referees **MUST** be paid prior to kick off.
2. If by chance you forgot your pay envelopes, the fee **MUST** be paid before ½ time. If that means you must collect from parents on the sideline, then that is what you do. But referees must be paid. Please double check before leaving home that you have the envelopes. If you are unable to collect and pay the referees before ½ time, then the game is a forfeit and all ASA forfeit fees will apply to the HOME team.
3. There may be times when a referee does not show, guess what, he does not get paid so put that money back in your fund.
4. ASA will no longer be responsible for the collection and paying referee game fees therefore there will no longer be refunds.
5. **Weather:** Should your game be rained out PRIOR to ½ time; you will have to reschedule. Yes, you will have to pay for another set of referees if you cannot finish the first ½.

**7.5.1 Any game that is abandoned because of inclement weather or darkness, after the completion of the first half, will be considered a completed game. If the first half has not been completed, the game will be replayed in its entirety prior to the end of the current season.**

6. **Meet in the Middle Game:** A game that is a meet in the middle, (a different location agreed by both teams) the **HOME** team (listed first on the schedule) **WILL BE** responsible for the fees as stated above. **ASA will stay pay the field rental if one is charged to play the game in the middle.**
